

Story 1

Apple iphone lineup ranges from \$429 to \$1599. A super powerful chip. A fast 5G connection. A super fast camera. All in a pocket friendly 4.7-inch design made to lost.	Apple’s made the back glass panel a single colored piece of material. It’s also got a slight contour for a softer feel in-hand. The available colors are pink, yellow, blue, black and green.	Camera has a large sensor, due to which the iPhone manages to capture stellar details even in low light conditions.	All iPhone models include fundamental performance management to ensure that the battery and overall system operates as designed and internal components are protected. This includes behaviour in hot or cold temperatures, as well as internal voltage management.	Apple’s iPhone 15 will cost much more in India than in the US and Dubai, despite the company manufacturing them in the country. Wit..
